

HOOKED ON HIBISCUS

MEETING: Tuesday, September 6th at the Ira Nelson Horticulture Center on Johnston St. The meeting is scheduled to begin at 6:30 pm.

At the upcoming meeting we will announce the election results. If you have not sent in your ballot, please bring it with you to the meeting.

Due to the recent events with Hurricane Katrina, the typical newsletter will not be published this month and will resume next month. I apologize for this but having several friends in the area that I have not heard from, has taken the wind out of my sails for trying to do anything this month.

Talk up the chapter. Bring a friend. Invite someone to come be a part of the fun and to experience the wonderful and beautiful blooms that are hibiscus.

Remember this chapter is ***YOUR CHAPTER***. As with our flowers, you get out of it what you put into it.

IT WILL MAKE US ALL GROW AND BLOOM! And everyone loves beautiful blooms!
